clerk

"It is further provided that when only one of the above children is entitled, the additional sum of two dollars per month shall cease to be paid from that date."

~~is erased~~

Please inform me if this is not all the department can do.

Very res.

Sir. If the within clause is  
erased in your certificate  
it is correct. In forwarding  
vouchers to this office the  
clause within quoted  
must also be erased  
from the blanks provided  
such clause is stricken  
from the certificate, as  
in your case.

Very Respy
